Delorme is in great form

He could not have asked for a better night if he wanted to. Jockey Larren Delorme had all eight mounts on Friday finish in the top three. He won an unheard of five races on the night including a shocking four in a row. He also had two seconds and one third.

Larren, 24, started out the night with a second on Esprit Du Roi then went to the winner's circle in the second, third, fourth, and fifth races. He finished second and third in the two stakes races, the \$30,000 Debutante Stakes and the \$50,000 R.C. Anderson Memorial, and ended the night off right with a win in the eighth.

Center Pin began the win streak and then continued to hit the winner's circle with wins on Rock Vegas, War on Terror, End Result and El Mexicano.

Honorable Lady, the second choice in the \$30,000 Debutante Stakes, battled throughout the final turn and down the stretch and finished a valiant second to invader and post time favourite Ruby's Big Band. Glory Command in the R.C. Anderson Memorial was able to rally for third.

If the Friday night card was not good enough, the Devil's Lake, North Dakota resident had all but one of his seven mounts on Saturday finish second or third.

Larren Delorme leads the jockey race 13 wins ahead of Rohan Singh. Rohan Singh, who won the Debutante with Ruby's Big Band, also captured the R.C. Anderson Memorial aboard Golden Stripe getting to the winner's circle for both parts of the Stakes doubleheader.

Charlie Smith gets third Debutante in a row

After winning the Debutante Stakes with Miss Missile in 2007 and returning last year with convincing winner Lady Countdown, the tall Texan was able to find his third angel this year with Ruby's Big Band.

Ruby's Big Band was the best of three entries sent to post by Smith. His other fillies Rule of Twelfths finished fourth and Party Treats sixth.

Ruby's Big Band and local favourite Honorable Lady emerged from the pack midway down the backstretch and battled stride for stride turning for home. Midstretch, Ruby's Big Band and rider Rohan Singh were able to reassert their authority and pull away at the wire to win.

Charlie credits his partner Terry Propps with her ability to find winners for the success of the past three years. "We can't be more grateful to have won the same stakes three years in a row", said Smith, "it's something I've never done before."

Honorable Lady, the local hopeful to break up the rule of Charlie Smith, battled on the outside throughout. Trained by Clayton Gray, the feisty bay filly did not give up but was second best in late stretch.

Lady Eddington, trained by Emile Corbel, sat behind the two leaders throughout the backstretch and was able to hold the show position down the stretch.

Golden Stripe was golden in R.C. Anderson

Rohan Singh picked up Golden Stripe after Gary Baze was injured in an earlier race and that pick up turned golden with a win in the \$50,000 R.C. Anderson Memorial. His second stakes victory of the evening.

Golden Stripe, trained by Emile Corbel, took the lead going into the first turn and did not look

back. The chestnut filly by El Corredor lead post to post and was able to pull away to win impressively.

Golden Stripe came into the race off two disappointing starts at Woodbine, and a distance fifth behind Lady Countdown and Morsel in her last prep race.

“This filly has a lot of issues,” said owner Phil Kives, “she should get even better now.”

Bound to Thrill, going for three in a row, came into the race off wins in two high-end claiming races, but was only able to chase the leader around the track. Bound to Thrill was trained by Carl Anderson.

The other Phil Kives (K5 Stable) and Emile Corbel entry Glory Command sat in mid-pack down the backstretch and was able to rally and catch post time favourite Adventcia for third.
